

Stop, Drop, and Roll!

If your clothes catch fire: **STOP**. **DROP** to the ground. Cover your face. **ROLL** until the fire is out.

Get Low and Go!

Smoke rises, so the air near the floor is usually cleaner. Crawl under the smoke to get out.

Get Out and Stay Out!

Go straight to your meeting place. Never go back inside. If someone is still inside, tell a firefighter.

Test Your Smoke Alarms!

Push the test button once a month with a grown-up. Hear the BEEP? You're ready!

Know Two Ways Out!

Find two ways out of every room, like a door and a window.

Firefighters Are Friends!

A firefighter in a mask is coming to help. Don't
hide. Go to them!

Kid-Free Zone!

Stay at least 3 feet away from the stove and
from space heaters.

Tell a Grown-Up!

Matches and lighters are tools for grown-ups. If you find one, don't touch it. Tell a grown-up right away.

Know Your Address!

Learn your street address so you can tell a 9-1-1 helper where you live.
